Added numbers for SPCC/FRP & GIUEs. Think we should reword the Gladstone entry?

Here is my stab at cleaning it up... I added some events that were not on the list, as well as removing a few that never were substantiated as being performed...

Importance: High

Chris/Steve,

Forwarding the original email and attaching our draft FY 19 version that Bryant organized and I revised and consolidated. Please clean up individual write ups and insert anything missing. Wren's direction below is 2-4 sentences per so feel free to shorten appropriately. Steve please insert summary date for NRC calls, responses, removals and exercises too. We have to send to Lisa by end of next week I believe. Let's save our format, stick it up on the branch sharepoint site and plan to go through this exercise every year – but in a much more orderly fashion. ☺

For 2019 accomplishments, I suggest 2-4 sentence write ups on specific by name projects to include all our performance improvement projects and general program accomplishment, like, exceeding a commitment.
